## Company Introduction

**Integral Secure Solutions Private Limited (ISS)** is a trusted and professionally managed security service provider. We specialize in delivering reliable security and facility management solutions through well-groomed, highly trained, disciplined, and uniformed security personnel.

**ISS is a Private Limited Company** registered under **MSME** and is fully compliant with all statutory requirements, including **ESI, EPF, GST, and PSARA** registration issued by the Government of Odisha. With **over 5 years of industry expertise** in security management, our leadership team is committed to providing customized security solutions tailored to each client's specific requirements. Our primary focus is to ensure complete customer satisfaction through professionalism, integrity, and quality service.

## ► Our Vision

"To become India's most trusted security and facility management partner by delivering reliable, innovative, and customer-centric solutions with the highest standards of professionalism, integrity, and excellence."

- Deliver professional, reliable, and high-quality security and facility management solutions that consistently exceed client expectations.
- Build long-term relationships through honesty, accountability, ethical business practices, and an unwavering commitment to protecting people, property, and assets.

## ► Our Mission

"To provide dependable, professional, and customized security and facility management solutions that protect people, property, and assets while creating a safe and secure environment for our clients."

- Understand every client's unique requirements and deliver tailored, cost-effective solutions with exceptional service quality.
- Recruit, train, and develop disciplined, skilled, and customer-oriented personnel who uphold the highest standards of professionalism.

## ► Our Values

"We conduct our business with honesty, transparency, and the highest ethical standards."

- We are dedicated to delivering reliable, timely, and quality services that consistently exceed client expectations.
- Our trained and disciplined workforce maintains the highest standards of conduct, appearance, and performance.
